Dear PERI Chapter Member:

PERI’s Legislative Action Network is its most important tool, in securing legislative successes in the protection of our pension system and benefits.

In addition to becoming familiar with and helping chapter members understand all potential and pending legislation before the Ohio General Assembly, a large part of my responsibility is to organize and oversee the operation of our chapter’s legislative action network.

To that end, I need you to fill out and return the information below. Your participation in our legislative action network will enable us to react quickly and effectively, whenever the need arises.

There are three ways to find out who your legislators are, and what their contact information is:

1. Ask me.
  2. Call the Legislature at 1-800-282-0253, or
  3. Go on line to [www.legislature.state.oh.us](http://www.legislature.state.oh.us).

When legislative action is required, you will be contacted via email, if you have one; or by phone if you do not. After your have contacted your legislators, we ask that you let us know that you reached them.
